CARSON CITY:  
Sunday..... December 12, 1875

THE PRESIDENT COMPLIMENTED BY THE ST. LOUIS GRAND JURY.—We find the following under date of St. Louis, Mo., December 9.

United States Grand Jury Room, St. Louis, December 9, 1875.—To U. S. Grant, President of the United States: The undersigned, late United States Grand Jurors for the Eastern District of Missouri, in the discharge of their sworn duty, have found it imperative on them to present to the United States Court of said district the names of many officials and other persons as being connected with a conspiracy to defraud the Internal Revenue of the United States, and, as citizens of our common country, sincerely desiring to uphold the hands of the Chief Executive in securing an honest collection of the public revenue, we cannot refrain from thus testifying to our estimation of the moral support which we have leaned upon as imparted in your noble instructions to Secretary Bristol to "Let no guilty man escape."

A GALVESTON DISPATCH states the following under date of Dec. 9:

Brownsville advises state that information is received there that a contract has been made at Monterey for the delivery of 1,000 beavers, One hundred and fifty hides were recently received at Matamoras for Monterey having American brands. Information from different points along the Rio Grande gives the number of cattle crossed into Mexico last month. The list numbers 1,200, most of them driven toward Monterey. One herd was taken to Camargo and demanded by Captain King's agent, but the Mexicans refused to deliver them.
